Build Your Income in the New Year

Have you ever thought about the potential income you can build with *Lotto Magic*?

It's simple, if you use the tools available to you. For example, have you tried running a classified ad in your local weekly paper or shopper? If the rates in your hometown are similar to ours, you can run a 10 to 15 word ad for an entire month for less than it would cost for the postage to mail 100 postcards.

An example of two ads that many of our members use follows:

"Lottery -- guaranteed income producing system. FREE club membership booklet. 1-877-526-6957 ID# _____."

"Make money playing the lottery. Guaranteed system. FREE club membership booklet. 1-877-526-6957 ID# _____."

When prospective members call the toll-free number, the company sends them out the club membership booklet **with your ID# on it!** You could run just one ad on one paper and find two new members that join. By running just one ad, you could be **getting paid to play the lottery!**

Let's take a look at you running an ad every week for a year. Although it will take a while for the signups to start, eventually you will have a steady stream of them coming in. In a newspaper or shopper with a circulation of 15,000 or 20,000 weekly, there should be enough requests for the club booklet to generate two new members.

Have you ever thought about what two new Power Captains joining each week for a year would do for your commissions? Well, let's see... that's 2 new members times 52 weeks in a year. **That's 104 new Power Captains!** Your referral bonus on each of those is \$60.00 per month! **By the end of one year your check will be over \$6,000.00 per month!**
